

Landing Nets and Accessories

Our Inspiration

Donald Golde, 3rd Ranger Battalion,
leading captured prisoners
on the front lines of Anzio, Italy,
in World War II.

12.25.24 to 4.11.11

To our loyal customers:

Whether you're seeing our new catalog for the first time or you're a long-time customer, we are pleased to offer this fine lineup of landing nets and accessories.

Ranger Products has been manufacturing landing nets since 1962. Our founder, Don Golde, was a member of the elite World War II fighting group "The Rangers." The shoulder patch he wore so proudly was the inspiration for our Ranger "Tough Quality" logo which is on all of our products.

The fighting Rangers are considered the best the United States has to offer and we consider the same to be true of our landing nets. Most of them are handcrafted in the USA. Ranger Products is the culmination of an American dream. We believe that we have the best and most diversified line of landing nets in the industry.

You and your continued support in our products are the reason we are here. We always value your feedback on our products. We back up this claim with a Lifetime Guarantee on most products. Your 100% satisfaction is our goal — our pride depends on it. We'll do anything possible to make you a customer for life.

If you can't find an item you're looking for in our catalog, please ask and we'll be glad to make it for you.

Sincerely,

David Golde, President

Knotless, Flat-Bottom, Rubber-Coated “Tournament Series” Nets

Model
458TS

The net collapses down to only 31" x 20", making it the perfect net for bass boats, kayaks, canoes, or any other type of fishing.

Model
9877FB

Model
9877FBHD

These special nets have many of the qualities of a rubber net without the extra weight! They also make the perfect catch and release net! The fish will calmly lay across the bottom while you remove the hook. The net features a knotless, tangle-free rubber coated nylon flat bottom net. It has 3/4" holes that create very little resistance in the water. Heavy-duty octagon handles automatically line up for quick extension and slide up into hoop for easy storage. All hoops are made of heavy 5/8" aluminum with reinforcements at all critical stress points. All handles and hoops are anodized black.

Optional Handles

- One-piece handles up to 6' in length (add desired length after model number)
- Two-piece telescopic handles in 8' and 12' lengths (add 'T' and length after model number)

NEW! Heavy Duty “Tournament Series” Nets

The new Tournament Series nets are exceptionally heavy duty, and perfect for Muskie, Salmon, Catfish, and Striper. Besides the many features in our standard Tournament Series, the nets feature a triple coated knotless flat bottom net. Being knotless, this net allows the fish to lie calmly in the bottom of the net and helps to not harm the fish's eyes, scales, or fins. The extra coating helps to keep the hooks from getting tangled.

Knotless Flat Bottom Rubber Coated Nets

Telescopic Handle Landing Nets

“Ranger Ruler” Walleye-Bass Series

Features black anodized hoops, octagon handles guaranteeing perfect alignment of the push button every time you extend the handle, and hook-free treated nets. With accurate measuring ruler so you'll never get caught with undersized fish (sorry, no more big fish stories!)

Ranger Ruler Walleye Series					
Model No.	Handle Length	Hoop Size	Ruler Length	Net Depth	Replacement Net
458RR	30"-45"	22" x 20"	18"	30"	30PHF

Hook-Free, Tangle-Free
Molded Rubber Nets

The perfect walleye and bass tournament landing net!

- High quality thermal plastic-rubber nets will not snag hooks or fish
- No untangling! Terrific for walleye and bass tournaments
- Model 3600 features a telescopic octagonal 1-1/8” black anodized handle with black hoop, and an automatic push button for alignment and length adjustment
- Automatic push-button alignment for length adjustment
- All 345, 356 and 360 models have 1” round diamond-embossed aluminum handles with sturdy 1/2” hoop
- Model 993R features a 1-1/4” fiberglass handle with 5/8” reinforced hoop
- Model 9800R features a 1-1/4” octagon handle with 5/8” reinforced hoop
- 3 Year Guarantee

With Ranger’s see-through rubber nets, you can clearly see the difference — but the fish can’t and will swim right in!

Optional

- Two-piece telescopic handle available
- Black anodized hoop and handle — add “B” after model number when ordering
- Clear nets are available — add “C” after model number when ordering

Crappie, Catch & Release Trout and Folding Nets

NEW! Crappie Net

- Three piece telescoping handle that extends from 4’-11’
- Twist handle can be locked quickly at any length
- Powder coated wire hoop that is 15” x 17”
- Knotless, hook-free pvc coated net

Crappie Net			
Model No.	Handle Length	Hoop Size	Net Depth
820	48”-132”	15” x 17”	16”

Alumaguard Catch & Release Trout and Live Well Nets

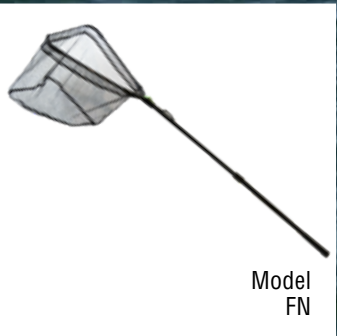

Models 20231 through 20237 feature black anodized Alumaguard hoops with netting on the inside of the hoop to protect nets from being torn by rocks and other foreign objects. These nets feature soft 3/16” mesh netting that is shallow so fish can be cradled, unhooked and released with minimal damage. Models 20236 and 20237 are perfect for the Rocky Mountain region, where trout are bigger. These nets also make good live well nets.

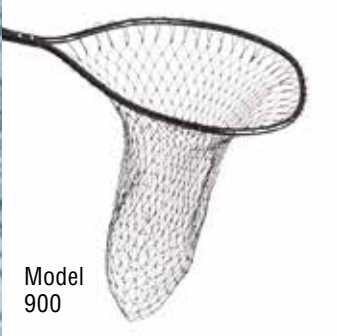

“Alumaguard” Catch & Release Trout Nets				
Model No.	Handle Length	Hoop Size	Net Depth	Color
20231	6”	8” x 14”	8”	Black
20232	6”	10” x 12”	10”	Black

20237	6”	10” x 18”	11”	Blue

Folding Net

- Perfect for canoes, kayaks, and backpacking
- Overall length of 26” when collapsed
- Two-piece handle telescopes from 20”-40”
- 18” x 16” easy push-button collapsible hoop
- 3/8” catch and release mesh net that is 14” deep

Folding Net			
Model No.	Handle Length	Hoop Size	Net Depth
FN	20”-40”	18” x 16”	14”

900 and 900B Series Economy Nets

This new series of nets was designed to be cost-effective but still very high quality. They feature an all black anodized hoop, octagon handle, and plastic hand grip. There is a choice of a poly net or a rubber coated knotless flat bottom net. The flat bottom nets are great for catch and release as they allow the fish to lie calmly in the bottom without harming them, and for keeping hooks from getting tangled.

Cost Efficient Economy Nets				
Model No.	Handle Length	Hoop Size	Net Depth	Replacement Net
900	18"	14" x 18"	24"	24P

Bait Traps

Wire Bait Trap

Sturdy, galvanized wire minnow trap separates in center for emptying and storage.

Collapsible Bait Trap

Compact and lightweight. Only 1" by 10," it unfolds to 10" by 17." Zippered pockets for bait and emptying catch. Steel wire frame with fine brown mesh that won't spook fish.

IWBT Bait Trap

The new IWBT is a two piece vinyl coated steel mesh bait trap that is 17" x 9" and comes with a spring clip to hold it together.

Umbrella Nets

Ranger umbrella nets are made of heavy galvanized spring steel wire and the highest quality poly and nylon in the industry today. Umbrella nets fold up for easy storage and are a great way to get bait without getting wet!
